Concepts in Minimally Invasive Spine Surgery

Surgeons: For information about registering for this course, or other DePuy Spine courses, please contact your DePuy Spine sales representatives.

Alternatively, you may contact the DePuy Spine Medical Education Department directly at 1-800-741-8075 or medicaleducation@its.jnj.com

Who should attend?

The **Concepts in Minimally Invasive Spine Surgery** program is designed for spine surgeons with little or no experience with MIS procedures in the lumbar spine, who have an interest in adding MIS techniques to their armamentarium.

The agenda includes a full day of hands-on training using cadaveric specimens supplemented by lectures from an experienced surgeon faculty.

For information about Professional Education courses, call 1-800-741-8075, or visit us at www.onlinespinecenter.com.
