The DePuy Institute, LLC

Healthcare professionals from around the world come to the DePuy Institute, LLC to learn, connect and share knowledge with the common goal of improving patient care. The institute embodies DePuy's tradition of innovative approaches to healthcare and our continued commitment to advancing professional education and research for orthopaedic, spinal, and neurosurgical care.

The DePuy Institute is the largest educational facility of its kind on the East Coast, located in Raynham, Massachusetts. You are invited to explore the DePuy Institute, and advance your expertise with exceptional educational opportunities.

DePuy Spine offers specialized courses to physicians for hands-on practical training with the CONFIDENCE SPINAL CEMENT SYSTEM™, in a classroom and laboratory setting.

Course Overview.

Concepts in Vertebroplasty will include a hands-on practical lab workshop, focusing on needle placement and the CONFIDENCE surgical technique. Case discussions and a variety of faculty-led lectures will supplement the workshop.

Course topics include:

- **A Critical Review of the Literature**
- **The Science of Bone Cement**
- **Patient Selection, Indications, and Contraindications**
- **Pedicle Targeting, Needle Placement, & Imaging**
- **Potential Complications & Post-procedure Protocol**

Who Should Attend.

Beginner and/or Intermediate IR/INRs who are looking for a comprehensive overview of Vertebroplasty and hands-on training for the CONFIDENCE system.
